Regarding: CASE NUMBER 2005-00445

Dear Sir:

This is to let you know that we support the application of Cumberland Cellular Partnership to build a 260-foot tower to be located at 900 KY Old Loop #3, Monticello, Kentucky 42633.

My wife and I are leasing the farm on this proposed location and are raising horses. We see this is as being very helpful since cellular communication seems to have a dead spot in this area.

This tower will improve cellular communication for this area of Wayne County which is greatly needed. Your consideration will be greatly appreciated.

Sincerely, 

Jeff and Jo Humble
